DINING ROOM

FULL BUYOUT

For a fully private space, book our entire dining room for a unique and beautiful space for your next meeting, board dinner, or reception.

Our space can accommodate up to 150 guests, and we will create a customized layout to fit the needs of your event. Our in-house sound system and two wireless microphones are available, and our dedicated Event Coordinator is happy to coordinate with any additional vendors, whether florists, AV specialists or entertainment.

HALF BUYOUT

For groups of 50 or less, reserve half of our dining room as a semi-private space separated from the rest of the room by floor to ceiling curtains. This space is perfect for a post-conference dinner or celebratory reception, and the adjacent bar and lounge can be added on for a bit more dedicated space.

HISTORIC HOTEL

DIVINE LORRAINE LOBBY

The lobby of the historic Divine Lorraine Hotel, adjacent to Cicala, is a perfect way to add on a bit of Philadelphia history to your next event.

Cocktail and dining tables can be added to the space as well as a satellite bar with wine, beer and cocktails to create the perfect cocktail reception space for up to 100 guests or one long table for a seated dinner for up to 28 guests.

This space also works well for pre-event registration and break-out space.

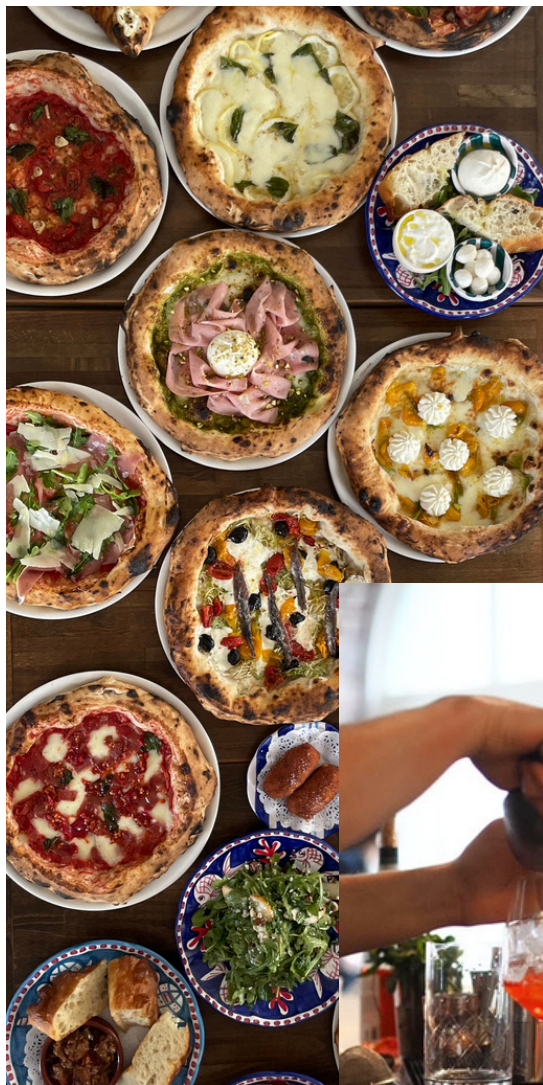

OUR LITTLE SISTER

SORELLINA PIZZERIA

Just across the hotel lobby from Cicala is our “little sister” Sorellina - a bright and lively pizzeria that is a great space for a more casual gathering.

Whether for a happy hour or team dinner, this space is perfect for groups of 30-100 guests.

FOOD & DRINK

We offer a variety of seated lunch, brunch, & dinner menus plus passed hors d'oeuvres, food stations, and even take-home favors. Plus, Chefs Joe & Angela are also always happy to customize a menu for your event.

Beverages can be billed on consumption, through a package, or individual tabs. Our beverage team is ready to help with recommendations!

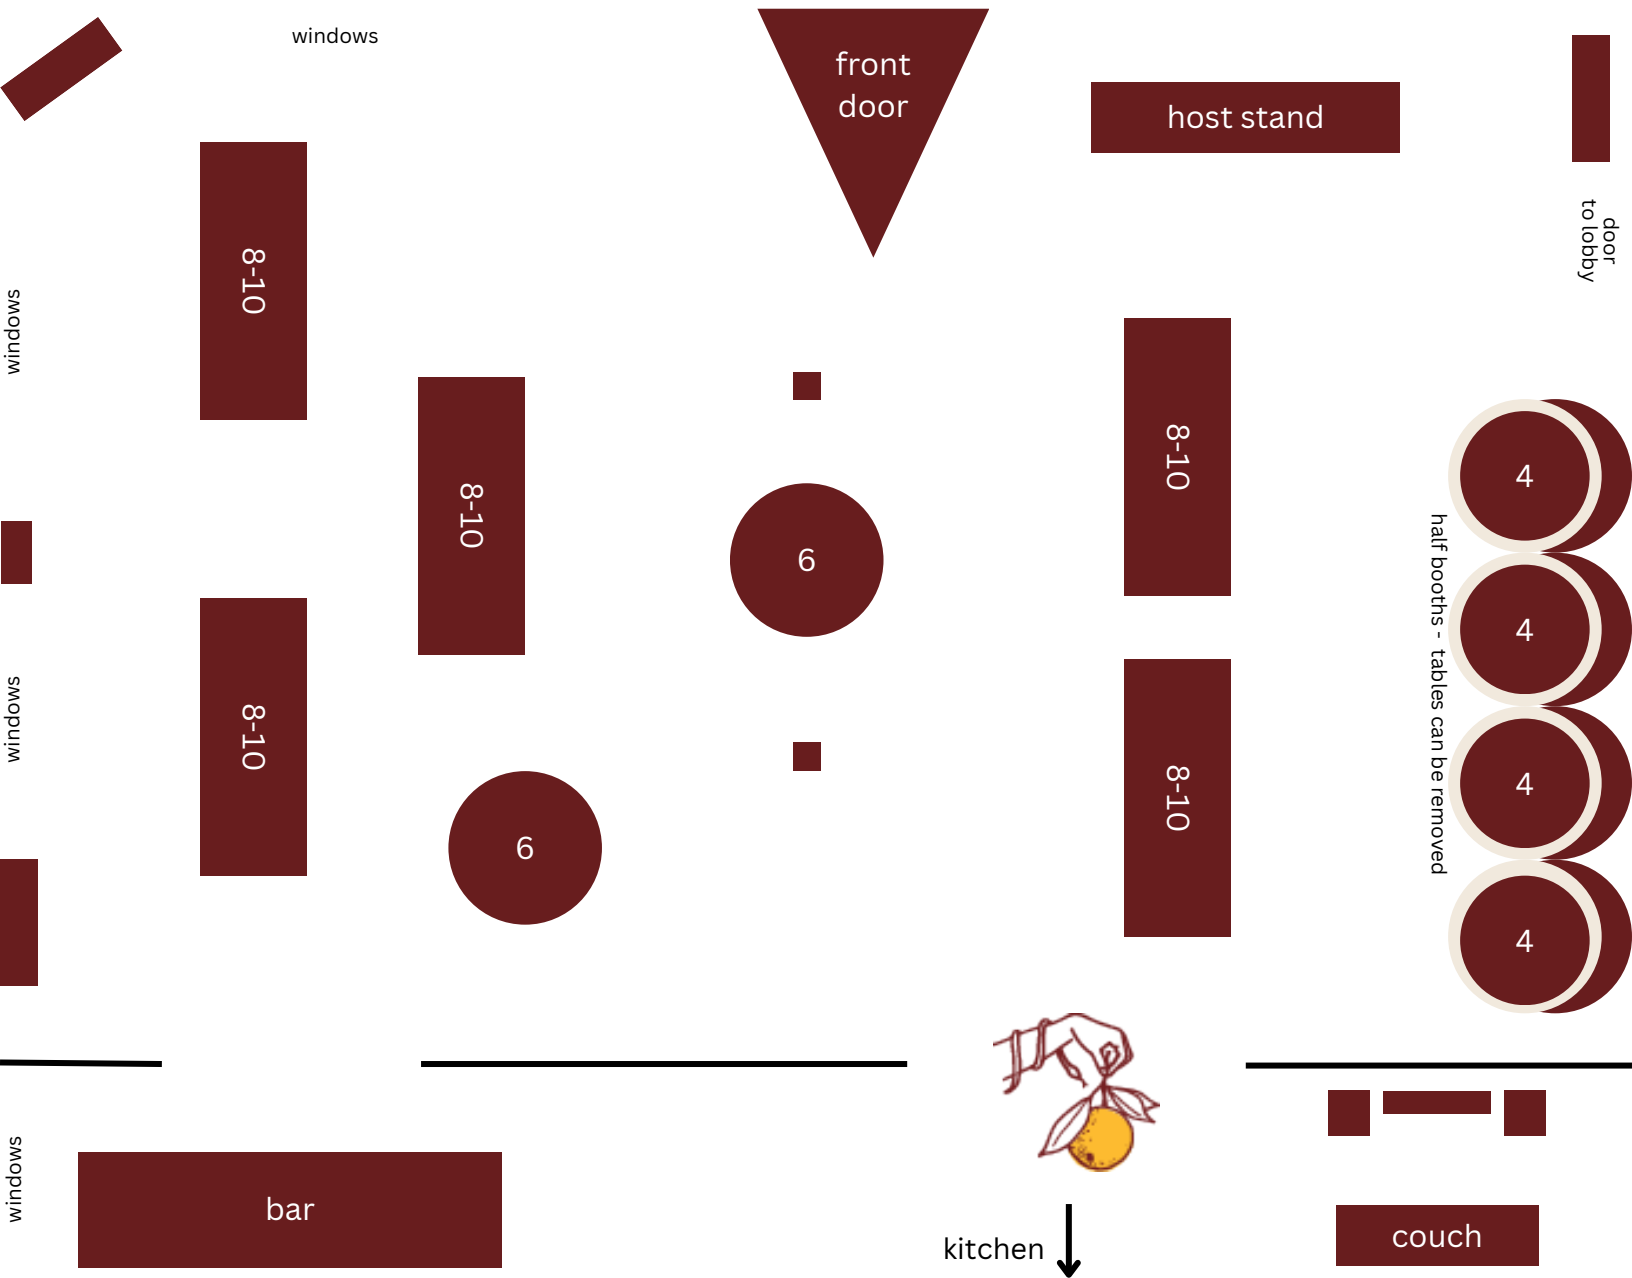

INTERACTIVE ADD-ONS

To make your event unique and memorable, add on one of our interactive classes or tastings. We offer cooking, cocktail, and pizza-making classes as well as Italian Amari tastings and make-your-own cannoli stations. Have another fun idea? We'd love to hear it!
